The Ponds at Battle Creek Golf Tournaments & Events

The Ponds at Battle Creek, "The Best 9-hole Golf Course in Minnesota", is a Par 35, regulation length golf course located in Maplewood, Minnesota. Designed by Garrett Gill & Paul Miller, construction and grow-in were completed in 2003, with the first public rounds being played in April 2004. Our challenging 9-hole layout features 5 sets of tee boxes to accommodate every level of golfer. Our greens are consistently ranked among the best in the state. A 9-hole tournament or event is perfect for organizations or groups that include non-avid golfers.

The following pricing structure applies to events required to have a minimum of 16 players. This payment must be paid in one sum, and you will be required to pay for the number of players guaranteed on the enclosed contract. If more than the agreed upon number of golfers play, it is required that you pay for the extra players at the contract rate. You will receive the following with the event:

- Assistance with format
- Flag events (Closest to the Pin, Long Drive, etc.)
- Registration Table
- Motorized Cart assignment signs if having a shotgun start (Must have names of all players and tee assignments to the golf shop 48 hours in advance).
- Large score sheets are available upon request.
- Scorecards available in the golf shop.

Green Fee Pricing: Regular 9 hole Weekend/Weekday: \$20.50 / \$19.50
Regular 18 hole Weekend/Weekday: \$32.50 / \$31.00

Group Rate for 16 or more players: 9 hole Weekend/Weekday: \$18.00/\$17.00

Request Procedure

Please complete the Tournament/Event Request Form and return it as soon as possible to secure your date. It is required that we have a signed, completed request form for all tournaments and events. Request form should be returned at least 14 days prior to your event as the course may become booked with public tee times or other events. If 2 different groups request the same date, the group whose request form is received first shall have priority for that date.

Shotgun Starts

Groups requesting a Shotgun Start must have a minimum of 48 players, or agree to pay for a minimum number of 48 players. Shotgun starts are available Monday through Friday at most times based on availability. Saturdays, Sundays, and holidays at 1:00PM or later only. 18-hole shotgun starts may be further limited by golf course availability. If having a shotgun start you should provide player names with their group number and hole assignment so that the golf carts can be assigned accordingly. Contact Head Golf Professional Brad Behnke, PGA for details and availability. Email: brad.behnke@co.ramsey.mn.us

Motorized Golf Carts

Motorized Carts will be rented individually on a first come, first serve basis. The event chair does have the option to rent motorized carts for all participants (we currently have 30) and distribute the carts as they desire. This fee will be added to the greens fees. In the event that the tournament requires more than our 30 carts, the tournament chair may, in addition to renting our 30 carts, elect to contract an outside supplier to bring in extra carts.

Practice Range

A portion of our practice range can be pre-set and reserved for exclusive use by your tournament or event participants giving them unlimited use of our state-of-the-art practice facility prior to the event. Cost is \$5.00 per player. Range will be set and ready 1-hour prior to your tee time. This added service is one that participants will truly appreciate.
