3rd \$86	(roughly 18%)
4th \$68	(roughly 14%)

Please report all results to battlecreekgolfclub@gmail.com including the score and how many holes were played.

2017 Battle Creek Match Play Rules/Contact List

- Payouts: 1st Place 42%, 2nd Place 26%, 3rd Place 18%, 4th Place 14%
- Location: All matches will be played at The Ponds at Battle Creek
- Matches: Match-play
 - o **2-Man TEAM NET MATCH PLAY** - 9-hole match play (18-holes can be played if both teams agree) SEMI-Finals and FINALS will be an 18-hole match
- Ties: All ties will be decided by sudden-death playoff holes. In the Net division, handicaps do apply in the sudden-death playoff. (Please check with the course before moving on)
- Blue tees will be used for all matches.
 - o Those that have a USGA handicap Index of 25.0 or greater may choose to play from the white tees.
 - o If a player chooses to move up to the white tees, his handicap is calculated from white tees and then they will lose one stroke (in 9-hole match)
 - o EXAMPLE:
 - Player A (with index of 10.0) plays from blue tees.
 - Player B (with index of 29.0) plays from the white.
 - Player B has a handicap index of 29.0 and calculates to a 31 for 18-hole match from the white tees.
 - Because Player B is playing from a different tee than his competitor, there is another adjustment based on course rating; blue 33.8 & white 32.9, a difference of 0.9 or 1 stroke in a 9-hole match, thus Player B's 9-hole handicap would be $29/2=14.5(15)$ less 1 stroke adjustment for different tee = 15.)
 - o SENIORS that are 55 years old or older and have a USGA handicap Index of 14.0 or greater, you may also play the white tees (same adjustment as listed above)
 - o In an 18-hole match, the deduction is TWO strokes taken off the players course handicap.
 - o Handicaps are applied as follows: Scott Albright has an 18-hole course handicap of 6 and his partner, Rick Starck CH of 9. They are playing against Mike Murray (CH of 7) and Jamie Erion (ch of 11) In an 18-hole match, Albright will play as a zero handicap and his partner will reduce by 6 strokes from 9 to 3. Murray and Erion will also reduce by 6 strokes each (Murray 1 and Erion 5) Each player will receive this adjust numbers of strokes on the handicap holes starting with the #1 handicapped hole (which is hole #9) In a 9-hole match, divide those course handicaps by 2 and round to the nearest whole number.
- Rainouts/bad weather: A match will be considered official after 6 holes have been completed. If you are forced off of the course because of weather before your round is done, even if you've completed 6 or more holes, you must allow one hour for the weather to clear before calling the match for the day
- Scheduling Matches: Matches must be completed by the scheduled deadline listed on bracket board. Both Members are responsible for contacting the
